

INVITATION

Dear friends and competitors !

I am honored to invite you to the traditional taekwondo tournament called " DAN -GUN Open ". This year the well-known international tournament celebrates its 21st birthday and with that number becomes the tournament with the longest tradition in the organization of Taekwondo competitions in Croatia. Through all these years of organizing the tournament consisted of over 900 competitors from over 20 countries worldwide. This ecstatic figure shows that it is appreciated by taekwondo friends from Croatia , as well as from neighboring countries : Bosnia and Herzegovina , Hungary, Slovenia , Germany, Austria , Serbia ...

The goal of this competition is the bringing together, making and maintaining friendships , fair play and communication , of adults, as well as the youngest to compete in combat categories, poomsae, kick or self-defense .

" Dan- Gun Open " is traditionally held in the sports hall in Podsused in Sutinska Vrela. The most common image of the contest is a packed full house from where you can look at the 8-10 fighting areas where intense fights are held or the audience is distracted by competitors performing poomsae and self-defense .

At the demonstration before the competition in the previous years the members of the Croatian Armed Forces participated who visibly delighted the domestic and foreign audience and were eventually declared one of the best demonstrations in Croatia.

In this tournament, you can also, for two years now , see the competition in the traditional martial art named " Hapkido " which is spreading more and more in our beautiful country and therefore you can learn something new and interesting!

We hope that this year you will complement our competition , and if you had not attended yet , feel free to join and enjoy the pleasant and happy atmosphere of the " 21st Dan- Gun Open of 2014. " !
